

## The CWS® Program Components

The blended learning approach integrates technical knowledge and client application and is a distinguishing feature of the CWS® program. The program blends the delivery of the content through multiple formats, and it blends knowledge and skills to provide a unique merger between academic study and real world application. Participants will engage in the following learning experience and activities:

Instructor-led Training	Directed-Study	Instructor-led Training	Capstone	
<p>Creating a Blueprint for a Wealth Management Practice-Skills, Knowledge and Practice</p> <p><i>Timeline:</i></p>	Study Guides/Audio/Resource Materials/e-Learning Lessons		<p>Complete Capstone Project and submit to CWS® Board of Standards</p>	
	Case Study Analysis	Developing Capstone Project Components		<p>Mastering Client Interaction Skills- Interviewing, Presenting, and Closing Business</p>
	Self Assessments	Mastery Exams		
Week 1	Weeks 2 Through 27		Week 28	
			Weeks 29-32	

## Participate in 2-day Instructor-led Session

### Sales and Practice Management Skills (CWS® I)

- Blueprint for Growing Your Business
- Growing Organically
- Attracting New Clients
- Client Retention Branding Yourself and Your Business

## Complete Directed Study

For each of the Ten Lessons:

### Complete Study Guide Assignments

- Lesson Objectives

- Lesson Plan
- Core Reading Assignment
- Decision Tree(s)
- Case Studies
- Self-Assessment

*Complete Assigned Readings*

- Cannon Concepts assigned readings
- 21st Century Estate Planning: Practical Applications

*Listen to the Wealth Management Audio Series assignments*

- Growing Your Business With Ted Ridlehuber
- 13 Wealth Management Issues With Phil Buchanan

*Complete the e-Learning Lessons*

- Surfacing the Issues Video Vignettes
- Knowing Your Client Issues
- Case Studies
- Comprehensive Video Case Study

*Prepare for the Capstone Project*

- An ongoing inventory exercise for later use in final project planning:
1. What are the key new knowledge points I have received from this lesson?
  2. What are the new issues I now plan to use in my client interviews and client situation analyses relating to investments?
  3. What process will I put in place to ensure I address the investments issues with clients?
  4. What are the resources I will use in analyzing client interactions and creating recommendations (list personal, firm, and outside resources)?
  5. What are the knowledge gaps that I will commit to filling to support my understanding of investments issues to better serve my clients (i.e., products, types, vendor, taxation, etc.)?

Upon completion of each Module, participants will assess their knowledge with a Mastery Exam

Online

Covering Module Contents

Passing Score of 85%

## **Participate in 2-day Instructor-led Session**

### **Client Interaction Skills (CWS® II)**

- **Delivery and Application**
- **Branding**
- **Interviewing**
- **Presentations**

## **Complete the Capstone Project: On-Going**

The Capstone Project includes a business plan and case study that demonstrates use of the knowledge and skills acquired during the Certified Wealth Strategist® program. Your Capstone Project will articulate your action steps for:

Client Interactions – including as appropriate topics, tools, and scripts

Business practices changes, actions, and tools

Resources, source, and location

Knowledge inventory, gaps and solutions, plan for continued study

All plans are evaluated against a rubric to determine if the applicant has successfully addressed all aspects of comprehensively managing wealth issues for clients with a plan for implementation.
